

DIRECTIONS

We are glad that you're coming to see us! Our office is located at 134 Surry Road (also known as Route 172) in Ellsworth, Maine. We are southwest of downtown Ellsworth on the road leading toward Surry and Blue Hill. We have a one-story tan shingled building with dark red shutters; our street sign is black with gold lettering. Our business neighbors are Josie's Country Cafe to the north and Saunder's Automotive to the south.

Park anywhere that is available, including directly in front of the building. We reserve those spots for clients, so please use them if you would like.

If you have mobility issues, please let us know so we can minimize your movements as much as possible. We have a handicap-accessible building.
